## Work Experience

03/2007 - 11/2007

### Element

#### Creative Services Designer

Participate in all aspects of creative design for this multi-purpose studio including page layout and design, art-buying, prop creation, web, business collateral design, and educational publishing.

Responsibilities include:

- Produce pages for clients in a timely manner following guidelines, but exceeding expectations in quality and creativity.
- Working individually as well as in teams to create compelling dimensional in-house and client based marketing materials, brand identity, and web presence from wireframe to live site.
- Balancing a variety of projects ranging in subject matter and media on a day to day basis while communicating simultaneously with other departments and vendors.

09/2006-02/2007

### Montgomery Consulting Group

#### Senior Graphic Designer

Ran all graphic and creative productions in house for this aviation consulting business.

Responsibilities include:

- Design of all print and web-based promotion materials for in-house and client based products.
- Constructing infographics and style sheets
- Preparing cross-continental sales books cover to cover including the design and editing.
- Created all advertising and worked with outside vendors for project completion.

06/2005-09/2006

### Harcourt School Publishers

#### Graphic Designer

#### Randstad North America

Art directed the two volume 2008 edition of the grade two reading program and assisted with the direction and layout of the grade one program.

- Art-directed vendors and studios in the production of the book as well as determining the look and feel of the pages.
- Supervised photo shoots and art buying
- Worked closely with multiple vendors and editorial department to determine the overall consistency of the books.
- Chose fonts, colors, and general image selection as appropriate for grade level.
